3rd March 2009

Golden Oldies beat the Credit Crunch

A large crowd of eager buyers arrived at Brown & Co's recent machinery auction at Old River Farm, Tilney All Saints, King's Lynn to witness a classic sale of low-houred and well-maintained equipment.

The sale, which featured over 250 lots, came about due a change in mechanisation policy on the farm, resulting in a sale of surplus equipment including five Massey Ferguson tractors and two Caterpillar crawlers.

Bidding was fierce for the 1980 Massey Ferguson 590 4wd which topped out at £7,200 while the smaller 1984 Massey Ferguson 250's, with a mere 3,128 and 2,266 hours, realised £4,600 and £5,450 respectively. The star lot for the day proved to be the Caterpillar D6D VHP crawler with the hammer falling at £16,200 while its smaller counterpart the Caterpillar D4E VHP also performed well at £9,800.

An unexpected surprise within the sale was the 1972 Dodge commercial lorry which found a new home for £3,400, a restoration project in the making!

"An extremely successful sale of classic equipment," commented Brown & Co auctioneer Chris Purlant. "Look after your equipment and it will repay you well in the future whether modern or classic."

Brown & Co's next farm machinery auction is at Beck Bank, Gosberton Clough, Spalding on 21st March 2009. For further information visit www.brown-co.com.
