(b) in the case of a latent defect, give notice to the Auctioneers as soon as possible following the latent defect having become apparent.

(c) return the Lot to the Saleground (or other such location as notified to the Purchaser by the Auctioneers) with seven days of the Purchaser's notice; and

(d) within seven days of the Auctioneer's request, provide a competent engineer's report setting out full details of the alleged defect.

(iii) The Purchaser's rights under clause 18 shall not apply if:

 - (c) the Purchaser alters or repairs those Lots;
 - (d) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or
 - (e) the Lots differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.
- (iv) The Auctioneers may appoint as arbitrator any person including but without limitation any partners of their own firm or any person in their employ who decision shall be final and binding on the Vendor and the Purchaser.

- (ii) The defaulter shall not be entitled to any surplus which may arise by such re-sale, which shall remain the property of the Auctioneers.
- (iii) Expenses shall be deemed to include the usual Auctioneers' commission on the re-sale and all expenses for porters, advertising, market tolls, carriage, care, storage, keep and otherwise.
- (iv) For the avoidance of doubt, if any Lots are subject to a resale the Auctioneers shall not be required to obtain an equal or greater sale price than achieved during the first sale.

19 AUCTIONEERS' RIGHT TO ANNUL SALES

20 REMOVAL OF LOTS FROM SALEGROUND

- (i) All Lots whether sold or unsold may not be removed from the Saleground without a pass for the removal of Lots. Passes must be obtained from the Auctioneers' offices. All Lots must be checked out by a representative of the Auctioneers.
- (ii) All Lots purchased must be cleared from the Saleground within seven days of the date of the Sale in which they were purchased.
- (iii) The Auctioneers reserve the right to sell entirely without reserve by auction at the next, or at any future Sale, any sold or unsold Lot which remains in the Saleground for longer than the times specified in clause 20(ii) above, unless they have received and accepted in their sole opinion a satisfactory explanation in writing from the Purchaser or Vendor as to why the Lot remains in the Saleground.

21 THIRD PARTY RIGHTS

A person who is not a party to a contractual relationship under these Conditions, shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term. This does not affect any right or remedy of a third party which exists, or is available, apart from that Act.

22 ENTIRE AGREEMENT

23 SEVERANCE

- (i) If any provision or part-provision of these Conditions is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If that modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to, or deletion of, a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Conditions.
- (ii) If any provision or part-provision of the Conditions is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend that provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.
