(iv) Without prejudice to clause 5(ii) or clause 5(iii), the Auctioneers total liability for all other losses arising under or in connection with these Conditions, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall be limited to the Reserve Price.

(v) The Purchaser acknowledges that the Vendor has given the Purchaser a reasonable opportunity to inspect the Lots, and the Purchaser has satisfied itself as to the quality and condition of the Lots.

6 WARRANTY DECISIONS

In case of dispute as to the interpretation of these Conditions the decision of the Auctioneers shall be final and binding on all parties save as provided for in Clause 17(iv).

7 RESERVATIONS

- (i) The Auctioneers sell as agent for the Vendor and as such are not responsible for any default by the Vendor or Purchaser.
- (ii) The Auctioneers have absolute discretion without giving any reason to refuse any bid, to divide any Lot, to combine any two or more Lots, to withdraw any Lot from the auction and in case of dispute put up any Lot for auction again.

8 CATALOGUES AND ADVERTISEMENTS

The Auctioneers cannot guarantee that any Lot described in any Catalogue or advertisement will arrive for sale, nor that any description therein contained can be relied upon as accurate. Any illustrations in Catalogues are for general identification only.

9 RESERVE PRICE AND BIDDING

- (i) The Purchaser shall be the person who makes the highest bid acceptable to the Auctioneers.
- (ii) In the event of a dispute between two or more bidders as to which is the Purchaser, the dispute shall be settled at the absolute discretion of the Auctioneers.
- (iii) No bidding shall be retracted. The bidding increments will be regulated by the Auctioneers. No person may advance a bid less than a sum to be named from time to time by the Auctioneer.
- (iv) All Lots must be inspected by the Purchaser. Except as set out in these Conditions the bids are on the understanding that the Lot has been inspected and is purchased with all faults and imperfections.
- (v) The Auctioneers may accept written or verbal instructions to bid on behalf of prospective Purchasers but any instructions accepted shall be at the risk of the prospective Purchasers, who will be deemed to have viewed the Lot(s), and the Auctioneers accept no responsibility in connection with the commissioning of their Staff to bid for any Lots or for failure of telecommunications relating to bids made.
- (vi) The Auctioneers may without giving any reason, refuse to accept the bidding of any person.
- (x) The Auctioneers and/or the Vendor reserve the right to fix a Reserve Price for any lot. The Vendor may bid for any Lot either personally or through the Auctioneers or through any other person as many times as the Vendor thinks fit and may withdraw any Lot at any time before the sale of such Lot.

10 PAYMENT

- (i) All Purchasers must declare their names and addresses, (and produce proof of identity) and if required, to pay to the Auctioneers the amount of the purchase money and if appropriate VAT and any Buyer's Premium charged in cash immediately on the fall of the hammer. In default of which the Lot or Lots shall be offered again and re-sold at the Auctioneer's discretion.
- (ii) Lots must be paid for on the day of Sale, but the Auctioneers may at their absolute discretion, agree to accept payment by such other means or such other manner as they see fit.

11 RESPONSIBILITY FOR LOTS

After the fall of the hammer such risk and duty shall devolve upon the Purchaser.

12 RESERVATION OF TITLE

- (i) If not paid for on demand, the Lot shall be returned to the Saleground for resale.
- (ii) Title to Lots shall not pass to the Purchaser until payment in full is received (in cash or cleared funds) for the Lots, in which case title to these Lots shall pass at the time of payment of all such sums.
- (iii) Until title to Lots has passed to the Purchaser, the Purchaser shall:
 - (a) store those Lots separately from all other goods held by the Purchaser so that they remain readily identifiable as the Vendor's property;
 - (b) not remove, deface or obscure any identifying mark or packaging on or relating to those Lots; and
 - (c) maintain those Lots in a good and marketable condition and keep them insured on the Vendor's behalf for their full price

Sale by Auction

against all risks with an insurer that is reasonably acceptable to the Vendor.

(iv) Subject to clause 12(v), the Purchaser may resell or use the Lots in the ordinary course of its business (but not otherwise) before payment for the Lots is made in full (if the Purchaser resells the Lots before that time it does so as principal and not as agent).

(v) If before title to Lots passes to the Purchaser, the Purchaser suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits any inability to pay its debts, or is deemed by the Auctioneers to be unable to pay its debts, then, without limiting any other right or remedy the Vendor may have:

- (a) the Purchaser's right to resell the Lots or use them in the ordinary course of its business ceases immediately; and
- (b) the Vendor may at any time require the Purchaser to deliver up all Lots in its possession that have not been resold, or irrevocably incorporated into another product.

(vi) In the event of sale by a Purchaser before payment has been made in full, the Purchaser shall hold the proceeds of such sale on trust for the Auctioneers (as agent of the Vendor).

(vii) In the event of breach of clause 10 or clause 12, the Auctioneers reserve the right to enter on to the property of the Purchaser, or others, to reclaim possession of any Lot.

A Buyer's Premium of 2% of the hammer price is payable on all lots. This is subject to VAT @ 20%.

14 VALUE ADDED TAX ON PURCHASE PRICE

VAT at the standard applicable rate will be added to the sale price of all lots unless they are exempt.

15 WARRANTY AND INSPECTION OF GOODS

- (i) Unless a warranty is specifically given for a particular Lot at the time of the Sale all Lots are sold with all faults and imperfections and errors of description. Purchasers should satisfy themselves prior to the sale of the Lot as to the condition of each Lot and should exercise and rely on their own judgement as to whether the Lot accords with its description. Neither the Auctioneers, their servants or agents are responsible for errors of description or for the genuineness or authenticity of any Lot. Unless otherwise stated no warranty is given by the Auctioneers, their servants or agents or by any Vendor to any Purchaser in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law.
- (ii) If any Lots are described at the same time of the Sale as in "working order" such Lots shall have no defect which renders them incapable of the reasonable work for which they are intended and they must be capable of performing such work for a period of 7 days commencing at 12 noon on the sale day subject always to 15(v) to clause 15(vii) inclusive set out below.
- (iii) Any Lot described by the Vendor as "just overhauled", "straight from work", "worked up to date of sale" or "as new" or any other similar description will be deemed to have been sold with a warranty that such Lot is in "working order".
- (iv) All electrical items require a current Electrician's Safety Certificate and any item delivered without a Certificate will either be refused entry or have the lead and plug removed and sold as scrap. Where electrical equipment is sold without specific instructions for use it is the responsibility of the Purchaser to take independent advice as to the correct operating procedures and any characteristics specific to them. The Auctioneers and Vendor shall have no responsibility for the safe use of the item.
- (v) The Purchaser of any Lot is responsible for complying with all legal requirements as to the safe use of Lots purchased at the Sale and shall ensure compliance with all relevant legislation relating to the safe use of such Lots.
- (vi) The Purchaser will be deemed to have inspected any Lot and will be solely responsible for ensuring that the Lot complies with the Health & Safety at Work Act 1974 and in particular Sector Information Minute 01/2006/03 as issued or subsequently amended by the Health and Safety Executive or subsequent governing body prior to commencing use or work with such Lot.
- (vii) The Purchaser will provide if requested by the Vendor or the Auctioneer acting as Agent on behalf of the Vendor a written undertaking pursuant to Section 6(8) of the Health and Safety at Work Act 1974 to confirm that all duties under Sections 6(1) (a) or 6(1a) of the Health & Safety at Work Act 1974 have passed to the Purchaser at the fall of the hammer.

16 COMPLIANCE WITH ROAD TRAFFIC ACTS

The Purchaser of any vehicle or trailer is responsible for complying with all legal requirements as to the construction and the use of such vehicle or trailer and for obtaining all certificates, permits or other authorization necessary before such vehicle or trailer can be used on the road.

17 ACCEPTANCE AND DEFECTIVE LOTS

- (i) If the Purchaser fails to give notice of rejection in accordance with this clause, it shall be deemed to have accepted the Lots.
- (ii) Any Purchaser disputing the accuracy of any description or alleging breach of warranty of a Lot purchased shall:
 - (a) in the case of a defect that is apparent on normal visual inspection, no later than 12:00 noon on the third working day following the sale date; and
 - (b) in the case of a latent defect, give notice to the Auctioneers as soon as possible following the latent defect having become apparent.
- (c) return the Lot to the Saleground (or other such location as notified to the Purchaser by the Auctioneers) with seven days of the Purchaser's notice; and
- (d) within seven days of the Auctioneer's request, provide a competent engineer's report setting out full details of the alleged defect.

Sale by Auction

(iii) The Purchaser's rights under clause 18 shall not apply if:

- (a) the Purchaser makes any further use of those Lots after giving notice or discovering the defect;
 - (b) the defect arises because the Purchaser failed to follow any oral or written instructions for the storage, commissioning, installation, use and maintenance of the Lots or (if there are none) good trade practice regarding the same;
 - (c) the Purchaser alters or repairs those Lots;
 - (d) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions;
- or
- (e) the Lots differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.

(iv) The Auctioneers may appoint as arbitrator any person including but without limitation any partners of their own firm or any person in their employ who decision shall be final and binding on the Vendor and the Purchaser.

18 RESALE DUE TO FAILURE OF COMPLIANCE

(i) On failure of compliance with the conditions, the Auctioneers may without prejudice to any other rights they may have, resell the Lot or Lots, either by public auction or private contract and the deficiency (if any) arising upon the resale together with all expenses shall be due as a debt by the defaulter of the first sale.

(ii) The defaulter shall not be entitled to any surplus which may arise by such re-sale, which shall remain the property of the Auctioneers.

(iii) Expenses shall be deemed to include the usual Auctioneers' commission on the re-sale and all expenses for porters, advertising, market tolls, carriage, care, storage, keep and otherwise.

(iv) For the avoidance of doubt, if any Lots are subject to a resale the Auctioneers shall not be required to obtain an equal or greater sale price than achieved during the first sale.

19 AUCTIONEERS' RIGHT TO ANNUL SALES

(i) In the event of any dispute or refusal to pay or of non-payment on the part of the Purchaser, the Auctioneers may, entirely at their discretion, annul and cancel the sale of such Lot or Lots.

(ii) Persons attending the sale are respectfully reminded that verbal or physical abuse to any person, especially the Auctioneers' staff, will not be tolerated.

20 REMOVAL OF LOTS FROM SALEGROUND

(i) All Lots whether sold or unsold may not be removed from the Saleground without a pass for the removal of Lots. Passes must be obtained from the Auctioneers' offices. All Lots must be checked out by a representative of the Auctioneers.

(ii) All Lots purchased must be cleared from the Saleground within seven days of the date of the Sale in which they were purchased.

(iii) The Auctioneers reserve the right to sell entirely without reserve by auction at the next, or at any future Sale, any sold or unsold Lot which remains in the Saleground for longer than the times specified in clause 20(ii) above, unless they have received and accepted in their sole opinion a satisfactory explanation in writing from the Purchaser or Vendor as to why the Lot remains in the Saleground.

21 THIRD PARTY RIGHTS

A person who is not a party to a contractual relationship under these Conditions, shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term. This does not affect any right or remedy of a third party which exists, or is available, apart from that Act.

22 ENTIRE AGREEMENT

You acknowledge that you have not relied on, and shall have no remedies for, any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Conditions.

23 SEVERANCE

(i) If any provision or part-provision of these Conditions is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If that modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to, or deletion of, a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Conditions.

(ii) If any provision or part-provision of the Conditions is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend that provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

24 APPLICABLE LAW

These Conditions shall be governed and constructed in accordance with English Law. All transactions to which these Conditions apply and all connected matters shall also be governed by English Law.
