(vi) The Auctioneers may without giving any reason, refuse to accept the bidding of any person.
(vii) The Auctioneers and/or the Vendor reserve the right to fix a Reserve Price for any Lot. The Vendor may bid for any Lot either personally or through the Auctioneers or through any other person as many times as the Vendor thinks fit and may withdraw any Lot at any time before the sale of such Lot.

10 PAYMENT

- (i) All Purchasers must declare their names and addresses, (and produce proof of identity) and if required, to pay to the Auctioneers the amount of the purchase money and if appropriate VAT and any Buyer's Premium charged in cash immediately on the fall of the hammer. In default of which the Lot or Lots shall be offered again and re-sold at the Auctioneer's discretion.
(ii) Lots must be paid for on the day of Sale, but the Auctioneers may at their absolute discretion, agree to accept payment by such other means or such other manner as they see fit.

12 RESERVATION OF TITLE

- (i) If not paid for on demand, the Lot shall be returned to the Saleground for resale.
(ii) Title to Lots shall not pass to the Purchaser until payment in full is received (in cash or cleared funds) for the Lots, in which case title to these Lots shall pass at the time of payment of all such sums.
(iii) Until title to Lots has passed to the Purchaser, the Purchaser shall:
(a) store those Lots separately from all other goods held by the Purchaser so that they remain readily identifiable as the Vendor's property;
(b) not remove, deface or obscure any identifying mark or packaging on or relating to those Lots; and
(c) maintain those Lots in a good and marketable condition and keep them insured on the Vendor's behalf for their full price against all risks with an insurer that is reasonably acceptable to the Vendor.
(iv) Subject to clause 12(v), the Purchaser may resell or use the Lots in the ordinary course of its business (but not otherwise) before payment for the Lots is made in full (if the Purchaser resells the Lots before that time it does so as principal and not as agent).
(v) If before title to Lots passes to the Purchaser, the Purchaser suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits any inability to pay its debts, or is deemed by the Auctioneers to be unable to pay its debts, then, without limiting any other right or remedy the Vendor may have:
(a) the Purchaser's right to resell the Lots or use them in the ordinary course of its business ceases immediately; and
(b) the Vendor may at any time require the Purchaser to deliver up all Lots in its possession that have not been resold, or irrevocably incorporated into another product.
(vi) In the event of sale by a Purchaser before payment has been made in full, the Purchaser shall hold the proceeds of such sale on trust for the Auctioneers (as agent of the Vendor).

Purchasers should satisfy themselves prior to the sale of the Lot as to the condition of each Lot and should exercise and rely on their own judgement as to whether the Lot accords with its description. Neither the Auctioneers, their servants or agents are responsible for errors of description or for the genuineness or authenticity of any Lot. Unless otherwise stated no warranty is given by the Auctioneers, their servants or agents or by any Vendor to any Purchaser in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law.

(iii) Any Lot described by the Vendor as "just overhauled", "straight from work", "worked up to date of sale" or "as new" or any other similar description will be deemed to have been sold with a warranty that such Lot is in "working order".
(iv) All electrical items require a current Electrician's Safety Certificate and any item delivered without a certificate will either be refused entry or have the lead and plug removed and sold as scrap. Where electrical equipment is sold without specific instructions for use it is the

(d) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or

(iii) Expenses shall be deemed to include the usual Auctioneers' commission on the re-sale and all expenses for porters, advertising, market tolls, carriage, care, storage, keep and otherwise.

(ii) All Lots purchased must be cleared from the Saleground within seven days of the date of the Sale in which they were purchased.

(iii) The Auctioneers reserve the right to sell entirely without reserve by auction at the next, or at any future Sale, any sold or unsold Lot which remains in the Saleground for longer than the times specified in clause 20(ii) above, unless they have received and accepted in their sole opinion a satisfactory explanation in writing from the Purchaser or Vendor as to why the Lot remains in the Saleground.

21 THIRD PARTY RIGHTS

A person who is not a party to a contractual relationship under these Conditions, shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term. This does not affect any right or remedy of a third party which exists, or is available, apart from that Act.

If that modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to, or deletion of, a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Conditions.

(ii) If any provision or part-provision of the Conditions is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend that provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.
